

## 2018 Clone 828 Pinot Noir

---

### Source

Fruit sourced exclusively from our estate in South East Kelowna.

### Winemaking

Pinot Noir clone 828 ripened beautifully in 2018 which led to Winemaker Grant Stanley's decision to produce a single vineyard, single clone Pinot Noir this year. The grapes were hand harvested, destemmed and cold soaked for 6 days before wild fermentation. Approximately 18 days on skins, then pressed gently and moved into French oak barrel (25% new) where the wine aged for 13 months.

### Tasting Notes

Spice aromas of sage, nutmeg, and black tea accompanied by coco, cassis, and wild blueberry. The tannin is ripe and the lingering finish carries notes of caramel.

120 cases produced.

Enjoy now or cellar for 6 years.
