

2020 Coyote Pinot Noir

Source

Pinot Noir grapes sourced exclusively from West Kelowna Coyote Vineyard.

Winemaking

Pinot Noir clone 115 was hand harvested, destemmed into small batches and cold soaked for 5-7 days before fermentation by indigenous yeasts. The total time on skins is 16 to 21 days. After gentle pressing, the wine completes malolactic fermentation in barrel and is aged 13 months in French oak (25% new).

Tasting Notes

This is an intensely perfumed wine with dark fruit aromas of cassis and blackberry followed by hints of dried oregano and clove. Earthy notes of leather and forest floor add to the complexity of this wine. Overall, it is well-balanced with fine tannin and deep colour extraction.

394 cases produced.

Enjoy now or cellar up to 8 years.

Brix	23 at Harvest
pH	3.92
TA	6.1 g/l
RS	1 g/l
Alc	13.5 %
