

2020 Cuvée Pinot Noir

Source

Pinot Noir grapes sourced from Golden Retreat Vineyard in Summerland and our estate in Southeast Kelowna.

Winemaking

Pinot Noir clones 828, Pommard, 115, and 667 are hand harvested and destemmed, then cold soaked for 6-7 days prior to undergoing spontaneous fermentation. After approximately 21 days the skins are removed, and the wine is transferred to French oak barrel to age for 13 months (40% new). This wine is built to cellar.

Tasting Notes

A beautiful violet aroma on the nose, with hints of preserved blueberry, liquorice, and sticky spice cake. Flavours of dark blackberry, plum and vanilla on the palate with complexities like bacon fat, toast, and mint chocolate linger on the finish.

378 cases produced.

Decant and enjoy now or cellar until 2030.
