

## 2024 White Pinot Noir

---

### Source

Grapes sourced from De Vries Vineyard located in southwest Washington State in the Yakima Valley.

### Winemaking

The grapes underwent a gentle press with minimal skin contact, resulting in a wine with little color extraction. Fermentation took place in stainless steel at cool temperatures, not exceeding 10°C. To retain some genuine fruit sweetness, fermentation was stopped by refrigeration.

### Tasting Notes

This White Pinot Noir is a unique and refreshing wine with a plush mid-palate. It offers aromas and flavors of lemon zest, tangerine, pink grapefruit, and a touch of stony minerality. The palate is balanced with delicate notes of white cherry, Asian pear, and orange blossom.

Pair with cucumber salad, Camembert, grilled shrimp with lemon and herbs.

798 cases produced.
